DETAILED ACTION

In response to the amendment filed September 7, 2004, in which the applicant amends claims 1, 11, 18, and 19, cancels claims 12 and 20, and claims 1-11 and 13-19 are pending in this office action.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior does disclose nor teach after dealing a player a first five card hand face up from a first deck of playing cards and a second five card hand face down from a second deck, the player selecting either the first hand or the face down cards, and displaying to the player the second five card hand face up in response to selection of the face down cards in combination with the rest of the claimed limitation according to independent claims 1, 11, and 19. The closest prior art is Dabrowski which only discloses dealing a first five card hand from a first deck face up and a second five card hand face down from a second deck, the player selecting either the first hand or the face down hand, and the player selecting one of the hands to play and the unselected hand is voided from use and not displaying to the player the second five card hand face up in response to selection of the face down cards. This statement is not intended to necessarily state all the reasons for allowance or all the details why claims are allowed and should not imply that all the reasons for allowance have been set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
